

# LENDER DIRECTORY

The connections you need to expand your financing options.

## ACCEPTED BY LENDERS NATION-WIDE

Finding the right lending partners to accelerate your dealership's business can be a challenge. Wolters Kluwer Financial Services just made this easier with our directory of lenders nationwide who use and accept our compliant Bankers Systems® retail installment contracts to finance automobiles, boats, RVs and powersports vehicles.

- Quickly and easily find and contact lenders that accept the same compliant contracts that you use.
- Simplify and speed up your contract negotiation process with qualified lenders.
- Focus your efforts on providing your customers with what they need, instead of worrying about getting what you need.

With more than 60 years of proven expertise and solutions in the indirect lending market, Wolters Kluwer Financial Services can help connect you to the right lending partners to help grow your dealership.

This directory makes it simple for dealers to know which lenders utilize Bankers Systems® contracts, which are guaranteed compliant. Wolters Kluwer Financial Services is the only provider that offers this guarantee – ensuring your lenders use the same compliant contracts as you.

The first part of the directory is dedicated to the auto market. The lenders are listed with National lenders first, followed by State lenders. Lenders in the recreational lending market (RV, Marine, Motorcycle, and Powersports) are located after the automobile lenders.

*Please note:* this list of lenders are those that have verified acceptance and/or opted into our directory; it is not a complete list of every lender that accepts our contracts.

We are growing our lender acceptance every day. Please contact us if you don't see your lender listed in the directory.
